Barriers and Opportunities:
Open Access and Open Data in Archaeology

Posters :

Almansa-Sanchez, J. et al.: Four years of open access in Archaeology

Polczynski, M.: Apph 9 50 reW n 1s in 1s in muned 0.7ski

Introduction to the session:

Open Access and Open Data as steps towards an Open Archaeology

- (1) Writing about archaeology is changing
- (2) There is greater need for trustworthy experts
- (3) Our relationship with the public is changing
